

P-Series Phones

Feature-rich Desk Phones for Sangoma's Suite of Communication Solutions

Designed for Sangoma's portfolio of UCaaS and UC solutions and toolkits including *Business Voice**, *Switchvox*, *PBXact*, *FreePBX*, and *Asterisk*

**Coming Soon*

Fully Featured IP Phones

Sangoma's line of P-Series phones are designed to deliver the features you need for every user type at a competitive price point. All models include high definition audio, unprecedented plug-and-play deployment, and advanced built-in applications that include voicemail, call log, contacts, phone status, user presence, parking and more*.

All Models Include

- » Full-color display screens
- » High definition audio
- » Customizable Busy Lamp Field (BLF) Keys
- » Power Over Ethernet (POE)
- » Electronic Hookswitch capable headsets (i.e. Sangoma H10 and H20)
- » Lock ports to ensure physical security
- » Real-time status
- » Contacts
- » Transfer & conference calls
- » Zero Touch Provisioning for all of Sangoma's UCaaS platforms

Sangoma's P-Series phones are the only phones that are compatible across Sangoma's communications as a service portfolio line, further enhancing their value.

Offering the tightest integration possible, they incorporate plug-and-play installation with auto-provisioning; saving you time.

Meet The P-Series Line of Desk Phones

The P-Series line serves 3 business verticals

Entry Level

» P310 & P315

Mid-Range

» P320, P325 & P330

Executive Level Coming Soon

» P370

Some Benefits of The P-Series Line

- » Users have one Sangoma phone for any Sangoma PBX/ UC platform
 - Mix platforms between offices, but keep the same look and feel
- » Sangoma phones all work the same way without any differences between lines
 - Makes upgrades simple; no additional training required
- » Partners stock and support only one Sangoma phone product line
- » Lower-cost of entry for price-sensitive opportunities

Entry Level

P310 & P315

The perfect fit for offices, education (schools, colleges), manufacturing floors, and retail stores. Wherever you need reliable, basic calling functionality.

Both Models Include

- » A 2.4 " 320x240 Backlit Color Display, crystal clear speakerphone, and headset support with two VoIP lines with illumination
- » BLF Key (with Red, Amber, Green for line status)
- » Ability to load custom idle screen images for company logos
- » The P310 and P315 are identical aside from their network capabilities. The P310 operates at 100Mbps speeds and the P315 operates at 1000Mbps (Gigabit) speeds.

Mid-Range

P320, P325 & P330

The mid-range line includes a large, all-around visible 4.3 inch 480x272 color IPS display for use with built-in business applications.

Key Highlights Include

- » The P320 starts the mid-range with 4-line keys programmable for VoIP accounts or as BLF with speed dial to direct-dial or monitor an extension.
- » The P325 delivers 6-line keys, a paging key for 20 pages of virtual keys
- » The P330 adds to the P325 with 12 line keys, Bluetooth, and 2.4/5GHz WiFi for a wire-free network setup. It also supports the PM200 expansion sidecar, a 20-key attendant console for operators.

Executive Level

Beautifully Designed P370

For the executives in the office that demand a sleek desktop presence, the P370 delivers with a large 7.0" 1280x800 color IPS touchscreen display Coming soon!

Key Highlights Include

- » 16 lines (software)
- » Bluetooth and WiFi Support
- » Built-in business applications
- » Support for our PM200 attendant console

Highly Integrated Productivity Applications

All P-Series desk phones are designed with built-in enhanced applications that take communication to the next level*

Context-sensitive Phone Books

Show device state, presence, monitor, intercom and more.

Call Queues

Login, Logout, Pause, Resume. See queue overview statistics and queue member details.

Call Recording

Record calls and forward if needed. Call recording is system initiated so everything is centrally saved.

PIN-based Hot-desking

Log-in or Log-out of any desk phone by simply using voicemail PIN.

Visual Voicemail & Screening

See who called, with call-back, playback, read/unread toggling and forwarding.

Conference Call Management

See who's talking, mute and unmute, user and all-kick functions.

Call Parking including retrieval

Park a call, view or retrieve. Call Parking is system initiated so everything is done centrally.

Call Logs

Calls made by users on any device, not just the desk phone.

* P310/P315 phones have limited applications. Some applications are not available in launch firmware and will require downloadable firmware updates.

Add-ons and Accessories

Attendant Console & Wireless Headsets

The PM200 attendant console (coming soon)

For users that need to track and dispatch high volumes of calls, the PM200 attendant console makes life easy. With 20 programmable keys and two pages of targets per console that complement the main phone display, productivity is greatly improved.

Key Highlights Include

- » 4.3" 480x272, Color, IPS display
- » 2 columns of 10 keys with Paging keys
- » Compatible with: P330 and P370
- » Add up to 6 PM200 sidecar modules for a total of 240 extra keys to the main P-Series phone

Sangoma's H10 and H20 DECT headsets extend the range of your P-Series desk phones with wireless freedom, enabling you to be productive roaming around the office, or at home, never missing a beat.

For the best flexibility, choose our H20 headset with USB connectivity with our softphones, video conferencing and collaboration software to work from wherever you want to be.
